

FRANCO GUARDINI

FULL STACK DEVELOPER

Hi! I'm Franco. My passion is to solve problems through software. That's why I'm a JavaScript/TypeScript Full Stack developer. I usually use technologies like React JS, Next JS, Node JS and more. In this years I used all my skills to develop complex projects. I'm able to work on a modern UI or a secure server.

EDUCATION

2022-now

UNIVERSITÀ NICCOLÒ CUSANO

Informatic/electronic Engineering

2021-2022

UNIVERSIDAD ATLANTIDA (NUMEN)

Full Stack Developer
